

## **Fabulous "It's Alright"**

Visit "[It's Alright](#)" on [MotoLyrics.com](http://MotoLyrics.com)

All you need to know is the vibe round' here  
We built and instill it, Sean Paul alongside Fabulous  
You done know we buss', telling them again, ay  
Girl, run away, tha guy that wants to 'Vibe kill' it  
Yo, she say a only tha 'topper' youth and 'Dapper' youth  
She want to win it, Fabulous

Let's get it ta' poppin' ma, it's a little before 1  
And I'm yellin' out aye, aye, aye, aye, yo  
I can tell by tha ring in tha middle of ya tongue  
You're tha kinda girl that has a little bit more fun

I'm literally yours, hun  
I never seen a ass so big with a waist as little as yours,  
hun  
And by tha expressions on them, hotties grills  
I know they wanna holla at somebody real

And I'm usually lookin' for somebody skilled  
Enough to make a nigga say aye, aye, aye, yo, niggas  
get mad  
'Cuz I may slay they hoe  
But I don't wanna let the A.K. spray so

Stop face fightin' me, like ya face frighten' me  
I do this every year, so I ain't never scared  
I do this everywhere and you ain't never there  
They sayin' this everywhere, how could you never hear

If you wanna roll with tha thugs tonight  
Lights, camera, action, can you feel tha hype?  
Hit, cruise control blazed Kryptonite  
Well, it's alright, baby, it's alright

If you wanna live up and free your life  
Come through, let we kick it 'til a morning light  
Girl, you wanna roll with tha thugs tonight  
Well, it's alright, baby, it's alright

So get with it, we want to hit it, we nah quit it  
And I like tha way you body set and how your clothes fit  
it

I want you give me some of it because minute by  
minute  
Temperature, it all a rise because you thighs and all  
you hips style

You shockin' it, you a rock it, you a kill it  
And a one thing the Dutty Paul want to predict  
Say by tha end of tha night, you will be chillen' with tha  
click  
Flossin' it, money we tossin' it 'cuz we a tha Boss in it

We naw ease up, we ain't stallin', grab tha girls all in  
That's my true callin'  
Y'all freeze up, we be flowin' it  
Your girl knowin' it and that's why she's showin' it

We naw ease up, we ain't stallin', grab tha girls all in  
That's my true callin'  
Y'all freeze up, we be flowin' it  
Your girl knowin' it and that's why she's showin' it

If you wanna roll with tha thugs tonight  
Lights, camera, action, can you feel tha hype?  
Hit, cruise control blazed Kryptonite  
Well, it's alright, baby, it's alright

If you wanna live up and free your life  
Come through, let we kick it 'til a morning light  
Girl, you wanna roll with tha thugs tonight  
Well, it's alright, baby, it's alright

Over here tha liquor is light blue, the chronic is light  
green  
They wearin' tha right shoe, they put on tha tight jeans  
They bringin' me right thru', I walk with a slight lean  
My style excites you, I know what that might mean

Aye, Imma freaky Scorpio  
Yo, tryna' leave with your skio  
Aye but it's mandatory tho'  
Yo' after me let shorty go

But that's another story tho'  
But please don't try to bring us to tha Maury show  
How cool is he?  
You don't know a fool who be crazy enough to fool with  
me

You'd rather swim in a pool of pee  
Then see tha one you love in tha vehicle with me  
Aye, yo but tha vibe is right, tha girls is up to par

We gon', drink it tonight and earl it up tomorr', it goes

If you wanna roll with tha thugs tonight  
Lights, camera, action, can you feel tha hype?  
Hit, cruise control blazed Kryptonite  
Well, it's alright, baby, it's alright

If you wanna live up and free your life  
Come through, let we kick it 'til a morning light  
Girl, you wanna roll with tha thugs tonight  
Well, it's alright, baby, it's alright
