i swear i told you once before
you gon' be sorry
if you ever mess around
with her.

Fabulous (You'll be long gone)

Chorus X's2
There's gon' be flower bringin'
And choirs singin'
Somebody's momma cryin'
(you'll be long gone)
Bust a nigga out
Cuz we don't mess around
I'll make sure that you are long gone.

I've got to finance to crush em
5 grand to hush em
Niggas talkin shit
It's my chance to hush em
My fans could bust em
My man could rush em
Imagine if i woulda used my hands
To crush em.

Who wouldn't, I. ?????
If you run with a guy?
that's like suicide
You wanted to die? ??????
If you done it like I
? Take a look at the coupe
It's 200 to buy.

Yeah i'm big with the biggest
Do it big in the city
Without? or 50 or biggie or diddy
I show niggas no pitty
Just figure they're dritty
Send sack with a 40
Maybe leave with a 50

They'll be gunnin & buckin
You'll be runnin & duckin
I hope that none of em get ya
It's like dope when it hits ya
With this scope imma split ya
Assign the pope to be witcha
Stilla need the doctors to open
& stitch ya.

Chorus X's 2

I got a swag
like the hustlers from harlem had
I'm blowin on a drag
Like marley had
The Bitches that are bad
Be barbie bad
Not to exag
but they brains like a harvard grad
You can't rob em
unless you want a carbon mag
It's not a problem
puttin you in a garbage bag
Try to bob em just like ? marlin had
Can't mob em
Unless it's for a autograph
I oughtta laugh like hahahahaha
i'm in the jay z edition ?ottimah?haha
New blue ganky? rich young long john????
Red monkey jeans just shipped from Hong Kong.
