All my ladies killin em get your hands up  
All my ladies killin em get them hands up  
If you really killin' em keep them hands up  
Keep them hands up, up

(If you killin em)

Get your hands up  
All my ladies killin em get your hands up  
And if you really killin' em keep them hands up  
If you killin em

[Fabulous]

You be killin' 'em  
Girl you be killin' 'em  
That girl bad, I mean badder than a villian  
I'ma let you know girl, thats how real I am  
Swagga on a hundred thousand trillion  
Girl I mean look at you  
I'm not gon' judge, cause I woulda threw the book at  
you  
See a murder case every time I take a look at you  
Where the ladies who be killin em  
And where that hook at two?

[Neyo - Chorus]

Girl, when you put that on for me  
All that I can say baby  
Is damn, girl look at you  
Girl you fly as fly can be  
And all that I can say baby  
Is damn, look at her  
Girl you look incredible  
(so good you killin em)  
Flawless girl from head to toe  
Girl you killin em

Can't nobody touch you know  
Ooh girl you killin' em  
Girl you are

Girl you be killin em

You be killin em  
You be killin em

[Fabolous]

You be killin that  
Girl you be killin that  
She do it with no hands and I be feelin' that  
They should yellow tape anywhere she chillin' at  
You need tear drops baby, with killer tats  
From New York to Cali, back down to Florida  
Her shoes made by a foreigner, call the coroner  
They should arrest you, at least issue you a warrant  
for they way you be killin' em  
Neyo bring the chorus bru...

[Neyo - Chorus]

[R-Les]

All my ladies killin em get your hands up  
All my ladies killin em get them hands up  
And if you really killin' em keep them hands up  
Keep them hands up, uh

(If you killin em)

Get them hands up  
All my ladies killin em get them hands up  
And if you really killin' em keep them hands up  
If you killin em

[Neyo - Chorus]
