[Intro: Fabulous]

Aye man, some kids gon be runnin around somebody
house after this one
They gon make babies to this
I mean it feels good
Oh yeah, the song too,
It feels good too

[Chorus: Ne-Yo]

I told her I'll be there in a minute,
She know I'ma take it down soon as I get it
You can leave your hair in a mess, don't even get
dressed,
Tonight we makin' love
I told her let's stay home, she was with it,
She know I'ma take it down soon as I get it
You can leave your hair in a mess, don't even get
dressed,
Tonight we makin' love, makin' love

[Fabulous:]

June 22nd, think I came in 20 seconds,
I was watching honey peck it while she lay on tummy
naked
To the pace of the bass and this cash money record,
She just drop, drop, drop, damn you manny fresh
But I got my thing together, told her she could bring
whateva,
Get some green, we could puff, get the cream, get the
cuffs
Baby even when I'm gentle, it might seem like it's
rough,
But if neighbors ain't complaining, you ain't screaming
enough
And yeah they might hear as I'm slappin' to the jewel,
She said baby right there, do it rapid, do it smooth
I said baby, right where? Kept tappin to the groove,
She said nigga right there, I'ma slap you if you move

[Chorus: Ne-Yo]

I told her I'll be there in a minute,
She know I'ma take it down soon as I get it

You can leave your hair in a mess, don't even get dressed,
Tonight we makin' love
I told her let's stay home, she was with it,
She know I'ma take it down soon as I get it
You can leave your hair in a mess, don't even get dressed,
Tonight we makin' love, makin' love

[Fabolous:]

You can't forget the feeling when you staring at the ceiling,
And you can't catch your breath, you just laying there chilling
Like 1 and then the 2, 2 and then the 3, 3 and then the 4,
Damn I want some more
So I slam her to the floor, set the camera to record,
Throw them legs up in the air, just like Lamborghini doors

See we might have had some problems with the stamina before,
I'm no amateur, I'm sure I could ram into you sore
But I ain't tryna hurt ya,
I'm just trying to nurture
Them niggas just flirt to hit it and then hurt ya,
What I'm throwin dirt for? I'm trying to alert ya
But fuck that, lay it down, let a nigga work ya

[Chorus: Ne-Yo]

I told her I'll be there in a minute,
She know I'ma take it down soon as I get it
You can leave your hair in a mess, don't even get dressed,
Tonight we makin' love
I told her let's stay home, she was with it,
She know I'ma take it down soon as I get it
You can leave your hair in a mess, don't even get dressed,
Tonight we makin' love, makin' love

[Ne-Yo:]

Till you tell me that you had enough,
I'ma slow it down and I'ma speed it up
And I will not stop,
Do it to you like a dude that ain't got no job
I ain't got nowhere to be, so I don't gotta leave,
Get the itis in the sheets, I'ma eat and go to sleep
Then we wake up and repeat, everything you do to me,
I'ma turn and do to you

And then I'ma black and blue that thing, dance for me
I love the way you move that thing, so nasty
I look and I say, "Ooh that thing"
Make me wanna sing a song, anybody ever seen a,
Make 'em wanna sing along

[Chorus: Ne-Yo]

So listen baby, I'll be there in a minute
She know I'ma take it down soon as I get it,
You can leave your hair in a mess, don't even get
dressed
Tonight we makin love
I told her let's stay home, she was with it
She know I'ma take it down soon as I get it,
You can leave your hair in a mess, don't even get
dressed,
Tonight we makin love, makin love

[Fabolous:]

Yeah so I called baby girl up like,
Aye man, I'm finna come through there
She like for what? You ain't gon get none
I said I'm not coming to get none, I'm coming to get
some
She said you ain't gon get none unless you make love
to me
I said, make love? What the fuck is that?
