[I15]

Uh check this out ma,
Look I didn't mean to hurt you,
But I thought we had an understanding about how it's
gonna be,
You know, (Yeaah Mann!)
You roll through or I roll through, (F to the A-B)
And we just do what we do,
You know what I'm saying, (I-15)
I ain't looking for no relationship,
But I'm goin ahead let my boy Fab holla at you!;

[Fabulous]

Yeah, this is real talk,
I told you there was others,
Now we go to war like soldiers with each other,
I'm trying to let it go not hold you like a lover,
See I'm simply P-I-M-P,
So I gotta stable-a chicks,
Unable to pick,
A babe I can lick out,
And I be labelled a trick,
If you down you can roll and if you not you can stroll,
It's just that easy,
When F-A-B's here!;

[I15]

Girl you got it twisted,
You already know how I get down,
Now you out here trippin',
On some sh*t that we already talked about,
I just want to hit it,
And you said that was cool with you,
Now you here crying to me,
Saying you want to be with a player like me,
That ain't cool!;

[I15 Chorus]

My bad, didn't mean to make you fall it like that,
And I hang up, and you call me right back,
It's like you don't even know how to act, (What's going
on!)

My bad, baby girl we barely even friends,
I just like to smash it now and then,
Now you got me scared to hit it again,

[115]

Now I don't mean to hurt you,
But it's not like you didn't know,
From the beginning,
Now you saying that you can't stand to be without me,
Now girl you talking crazy,
I'm not trying to deal with you,

Gonna keep it real with you,
Shorty I don't want to be with you

[115 Chorus]

My bad, didn't mean to make you fall it like that,
And I hang up, and you call me right back, (Back)
It's like you don't even know how to act, (What's going
on)
My bad, baby girl we barely even friends,
(Friends)
I just like to smash it now and then,
Now you got me scared to hit it again, (Yeah)

[Fabolous]

Now you know I come through every now and then,
To see how you been couple of thou' to spend,
But you knows how it goes,
Girls act like you suppose to propose After a
month,
But I choose to refuse,
I'm the kind of the man that do's what I choose,
Whenever I want,
And it's never the front,
It's just to let you know,
It's cheaper to keep her,
I'll still will let you go, girl...

[115]

I've lost my patience,
With these ultimatums,
Tryin' to lock me down like incarceration,
I don't cuff 'em when I grab 'em,
I thug them with the passion,
Still running from the last one,
They tugging on my ass clip,
I don't what it is, I'm cool on that Might Be
tip,
I ain't Damon, I'm too young for a wife and kids,
I kick it if we, like Vivica and 50,

Like Fab said simply, we P-I-M-PÅç?Â!

[115 Chorus 2X]

My bad, didn't mean to make you fall like that,
And I hang up, and you call me right back,
It's like you don't even know how to act,
My bad, baby girl we barely even friends,
I just like to smash it now and then,
Now you got me scared to hit it again,
