Chorus

Real niggas, I'm seen with em
Killer spot, Crime scene In
Got a crew Charlie Sheen with em
Check the stats, my team with em
Check the stats, my team winning
Check the stats, my team winning
Check the stats, my team winning
Check the stats, my team winning

I say all the players of my team get it
Dirty money, but we clean with it
Crown on wrist on blast
Can't you tell every king's with it?
I said all my girls be queens with it
Channel bag Saline with it
The cast are groovie, the ass are movie
And I'm just behind the scenes with it
Wrong nights when I'm on mine
You ain't gonna find these online!
Tell my haters, take a number
It's a long line, be a long time before you get to me
But why you wait, witness me
Make history!
Why y'all down, that's a mystery
and why we up cause we work hard
Hard work leads the talent when the talent don't work
hard
Back then you had to work hard
Same thing, you just switch the hustle
Got some goons got some lawyers
Same thing, we just switch the muscle
You gotta know I'm too rich touch you
but I don't think you want problems fam
Should of been a Kentucky cat
In the game, it's how wild I am
And they look like thugs, but they ain't really thuggin'
We call them niggas pac hologram
Before I go, gotta yell BK
Shoutout To Boy LBJ
The horseman Nike and the haters i tell just behave
Chorus

Real niggas, I'm seen with em
Killer spot, Crime scene with em
Got a crew Charlie Sheen with em
Check the stats, my team with em
Check the stats, my team winning
Check the stats, my team winning
Check the stats, my team winning
Check the stats, my team winning
