Go hard today, can't worry the past  
'Cause that was yesterday  
I'ma put it on the line 'cause it's my time  
I gotta stay on my grind 'cause it's my time, my time,  
my time

If you're with me let me hear you say  
My, my, my, my  
If you're with me let me hear you say  
My, my, my, my, it's my time

Guess what time it is, my, my, my time  
You can check your iPhone, better say it's our time  
I don't even need a watch, I don't even see a clock  
Soon as a I walk in it feel like me o'clock

Give me a clock, every time I check  
Singers don't measure up and try and blame the Pyrex  
I'ma do it bigger than a 5-ex  
Can't ride with an L so I don't drive Lex

Games so bickery, so full of trickery  
Nursery, rhyming, hickory, dickory  
Blowing that side, the hood call it pickory  
Biggie, Puffy, Busta victory

Go hard today, can't worry the past  
'Cause that was yesterday  
I'ma put it on the line 'cause it's my time  
I gotta stay on my grind 'cause it's my time, my time,  
my time

If you're with me let me hear you say  
My, my, my, my  
If you're with me let me hear you say  
My, my, my, my, it's my time

My time is more like fly time  
Don't call to get dressed, call it in a sky time  
If you ain't a pilot you probably couldn't style it  
Unless you was a stewardess, you wonder what to do  
with this

First I take the time out then I put the time in  
Money ain't everything it's more about the timing

So I got the water mark, flawless diamonds  
In other words that's called perfect timing

I feel like a favor, I feel like a savior  
They clock in my neck, I feel like I'm flavor  
I go so hard, Loso God  
Damn street, fi-di-di-di, damn

Go hard today, can't worry the past  
'Cause that was yesterday  
I'ma put it on the line 'cause it's my time  
I gotta stay on my grind 'cause it's my time, my time,  
my time

If you're with me let me hear you say  
My, my, my, my  
If you're with me let me hear you say  
My, my, my, my, it's my time

Oh, now I know mine  
It's been a few years now I've seen 'bout time  
You know I've got committed with the system up in the  
zone  
Sign the dotted line now it's on

So y'all better check your wrist piece  
Why? 'Cause it's time to make history  
Just hop in here, bullet's history  
Howda, howda, howda hell you gonna evict me?

You know I'm here stay, never cocky now  
With bottles we poppin' now, no telling where we  
stopping now  
And I represent the chick A G O  
On the track with F A B O, you know we

Go hard today, can't worry the past  
'Cause that was yesterday  
I'ma put it on the line 'cause it's my time  
I gotta stay on my grind 'cause it's my time, my time,  
my time

If you're with me let me hear you say  
My, my, my, my  
If you're with me let me hear you say  
My, my, my, my, it's my time
