I'm here to shake up the world, yeah  
What what what what what, uh  
What what what what what  
Uh huh, uh huh  
Right, right ghetto

I'm something like a phenomenon  
But still dumpin' whenever the dramas on  
Y'all hustlas can't eat fit meals and it feels  
Something like when it's Ramadan

Hope you chumps been walkin' wit armor on  
I'm who they dumpin' two colahamels on  
Oh something's turning his Mama on  
I love to see rumps in Farragama thongs

Bet it look dope when you got pajamas on, oh  
Jump in, let's hit the Bahamas ma  
And it's crunk whenever I'm on a song  
Bumpin' like bump bu-bump

I'm particularly picky, when it come to licky licky  
Have 'em slidin' off them vickies quickly, okay  
Under the du-rag thick 360  
It's the hypno and sticky icky, I said, "Okay"

Fly enough to do better but pimp enough to not give a  
fuck  
Dumb enough to do better and gangsta enough to not  
give a fuck  
I'm hustlin' enough to know better but ballin' enough to  
not give a fuck  
I'm old enough to know better but young enough to not  
give a fuck

Da-da-damn it man  
I'm in a throwback so old it'll grandma glance  
And everybody know, everybody go  
So please call a stretch ambulance

These dudes don't stand a chance  
When I pull up like the pamper brand, those under

lambo slants?  
Wit a mad dam from france  
Wit a ass so big you couldn't hide it in hammer pants

Who else be in New York wit Miami tans  
Got everybody doin' the street family dance  
I'm sure this hammer can, make you save  
That gangsta role for the camera man

This is F A B, you preferably don't wanna "f" wit me  
Please believe it  
I'm definantly as responsible for gettin' the city high,  
clef would be  
Believe it, please

Fly enough to do better but pimp enough to not give a  
fuck  
Dumb enough to do better and gangsta enough to not  
give a fuck  
I'm hustlin' enough to know better but ballin' enough to  
not give a fuck  
I'm old enough to know better but young enough to not  
give a fuck

I'm introduced to yo women friends, hello  
'Coz I buy double deuces to rent a Benz, ooh  
Like them bootz made by Timberland  
Not half them were mine, since I got drafted and  
signed  
Y'all players get used to the scrimmagin'

Not one of them Jesus' got lemon gems?  
You know y'all lips gonna get loose like ya feminine  
I prove lettin' with the semi can, boost my adrenaline  
You'll never have use with that hand again

Half of my roots is Dominican, faboloso  
Me gusta le Bejamins  
This dude got the juice of a pimp in him  
I'm turning stones like Medusa had glimpse of them

But right now you can lie and gossip to  
And later on be the guy who the mobs look to  
And right now you can try and prosecute  
But later on you gon' die in the hospital

Said, "I fly enough to do better but pimp enough to not  
give a fuck  
Dumb enough to do better and gangsta enough to not  
give a fuck"  
I'm hustlin' enough to know better but ballin' enough to

not give a fuck  
I'm old enough to know better but young enough to not  
give a fuck
