[Intro]

You know it's people who wanna see you fail

And I owe those people

I'ma pay em back with success

Y'all n*ggas take cash or credit?

Yeah

[Verse 1: Fabulous]

Having nothing was the worst, now it's the best of everything

They used to tell us "no", now it's yes to everything

And I get high on the low just to level things

The worst I ever looked probably the best you ever seen

Yeah, so fresh and forever clean

Produce section style, being fresh is everything

Now sit yo ass down girl, rest that heavy thing

Gimme that sloppy head and make a mess of everything

If they don't see that I'm a winner then it's their loss

I say "f*ck n*ggas" and you won't hear pause

We work hard all day over here boss

So every night we go and ball like hair loss

From the bottom but we end up being top notch

Thinking out the box while everybody Hop Scotch

[Hook]

Everybody knows, how the story goes

Friends turn into foes, I seen it all before

I guess I'll take the blame, but you and me ain't the same

For what it's worth, n*gga really can't complain

[Verse 2: Freck Billionaire]

Payback motherf*cker

This the Homecoming King fresh off of paycation

N*gga from Penn State fresh outta the state pen

Thanks for the fan mail too

Payback's a motherf*cker, I would hate to be ya

I'm back to lay it flat like a Casadia

Crocodile Hermes kick collector's item

Fugitive outta state, they had to expedite him

I'm back to put the game on Ramadan

Like grated cheese, a six deuce Parmesan

Compared to other cat, do Philly Freck get paid less?

Absolutely negative like my AIDS test
I'm getting chauff'd, I'm in the back on Alisha
Tell the driver go long like the Packers receiver
I still got the most hoes, it's affirmative
Every bar's hotter than the furnace is
You heard Freck f*ckin' with the chick, now he want her
He search for 'em then he cuff 'em, he's a bounty
hunter
They make the ugly face when he raps
I'm back on that sh*t like a relapse
