[Hook: Chris Brown]

And baby we don't need a bed, no  
Don't need a master room  
Don't need to set the mood  
She like yeah, yeah  
One touch, one touch  
She gon' give me all her love  
She's ready, so ready  
She ready, so I'm ready  
I feel it coming on strong  
It's so heavy  
She ready, I'm ready

[Verse 1: Fabulous]

I hear if you stay ready  
You ain't gotta get ready  
Call you when I get there  
You just get your sh\*t wetty  
Oops I mean your sh\*t ready  
Can't believe I said that  
Least you know where my head at  
Now shawty where your head at  
She gon' dive in head first  
Scoop me like a border ed  
She do it then we do it  
So she can say she thought ahead  
Layed up in that all day  
Can't get out that water bed  
Talk nasty for your boy  
Silent treatment for the feds  
No cup for the thirsty  
She bad as controversy  
Skin tone like Hershey  
Body lord have mercy  
If this thing was a car  
It'd be a lamborghini mercy  
Maybe I'm too fast  
Girl see see see

[Hook]

And baby we don't need a bed, no  
Don't need a master room

Don't need to set the mood  
She like yeah, yeah  
One touch, one touch  
She gon' give me all her love  
She's ready, so ready  
She ready, so I'm ready  
I feel it coming on strong  
It's so heavy  
She ready, I'm ready

[Verse 2: Fabolous]

Talking 'bout you born ready  
Talking 'bout it's on deck  
Talk a good one on text  
You say you 'bout it, I'm gon' check  
I put some kisses on that  
Let me warm that engine up  
Relax when the tension's up  
Girl you gon call your nigga up  
And I pop up in that all black  
And kill that  
See I'm dressed appropriate  
You got to feel that (feel that)  
That's that love coming down  
For the brain I'm dumbing down  
Be on swole when she coming round  
De iced and numb her down  
Nicely to beat it up  
Rodney King that team girl  
Can't we all just get along  
You could get along  
You already know  
But is you ready though

[Hook]

And baby we don't need a bed, no  
Don't need a master room  
Don't need to set the mood  
She like yeah, yeah  
One touch, one touch  
She gon' give me all her love  
She's ready, so ready  
She ready, so I'm ready  
I feel it coming on strong  
It's so heavy  
She ready, I'm ready

[Bridge: Chris Brown]

If you are a bad one, be ready  
Two times for my niggass, we ready  
Pretty ladies in the VI', they ready

I'm feeling good feeling good, I'm ready  
The girl in the back, she ready  
We don't know how to act, we ready  
And we can't wait to get home

[Hook]  
And baby we don't need a bed, no  
Don't need a master room  
Don't need to set the mood  
She like yeah, yeah  
One touch, one touch  
She gon' give me all her love  
She's ready, so ready  
She ready, so I'm ready  
I feel it coming on strong  
It's so heavy  
She ready, I'm ready
