[Hook]

(Huh, sicker than ya average)

Sicker than yo average

(Sicker than ya average)

Sicker than yo average

(Sicker than ya average)

[Verse 1 - Fabulous]

Ha ha, sicker than yo average

Oh you think you hot

I'll come through quicker than a maverick

Shut ya heat down, you'll quickly be embarrassed

Come through where you live, flick it up like Dallas

Stick to living savage, I'll stick to living lavish

Picking up a bad b*tch, the chick look like my ad-libs

(niice)

She calling me Fab Pitt, you can be my Jolie

Swing big sticks, shorty you can be my goalie

You ask too many questions, yo, you can be the police

You know what time it is girl, you can see my Rolie

My car like a hospital, with the windows tinted cause

You can't see me but you know a sick n*gga in it right

[Hook]

(Ha, sicker than ya average)

Sicker than yo average

(Sicker than ya average)

Sicker than yo average

(Sicker than ya average)

Sicker than yo average

(Ha, ha, sicker than ya average)

Sicker than yo average

N*gga working hard just to have it

Tell you like I told my last b*tch

Sicker than yo, sicker than yo, sicker than yo

Sicker than yo average

[Verse 2 - Red Cafe]

Sicker than yo average

Euro gang crazy, I'm in the sickest fabrics

High every day like I'm living in the attic

Psycho, psycho, my living room padded
I'm sicker than magic, oh
Stuntin' in the sickest air max, oh
Now I'm finna pose for the flashes, hoe
Still I put it down in the mattress
So make that girl the opposite of Go-Go
Go, go, dippin' from behind doing the sickest blue jays
And I ain't talking Toronto
Sicker than yo average, there he go, the finisher
Sick hot, 200 degrees, check the temperature
