[Fabulous:]

Yeah please believe it
Believe it please
Ghetto Fuckin' Fab
Niggas yeah yeah yeah uh yeah yeah Street Family
Brooklyn we back

[Verse 1: Fabulous]

It wont stop 'till these young cowards bleed
So if you see the kid spittin' shells it ain't 'gon be
sunflower seeds
Ya rims are too small rocks are too little
When ya talk to birds and rats like Dr. Dolittle
I barely reloads
I got those
Slugs that'll hit you in different area codes
Keepin' mine homie
I ain't Scarface I'm the quiet dude that creep behind
Tony
I do it for fifty thousand
I'm the kid involved with more projects than New York
City Housing
I get in ya girly's hiney
Cause they ain't seen the Jordans on my feet since the
early ninetys
Since Box Beamers
I been bustin' on chick's faces 'till they look like they
covered in Noxzema
I'm still be stashin' the sket
Even after my soundscan numbers look like the
national debt holla

[Fabulous:]

[DJ Clue:]
