Yeah, I'm somethin like a phenomenon, but still dumpin

Ya'll hustlas can't eat fit meals and it feels somethin
like whens its Ramadan
Hope you chumps been walkin with armor on I'm

Somethin's turnin his mama on I love to see rumps with
see through garmets on
Better look crunk when you got pajamas on(Oh!)
Jumpin lets hit the Bahamas ma and its crunk wherever
I'm on a song
Bumpin like bump budomp
I'm particly picky when it comes to licky licky have'm
slidin off Vicki's

Under the doo rag thick as 60 its the hipno sticky icky

Fly enough to do better,(oh) but pimp enough to not
give a fuck (yea)
And I'm thug enough to do better (oh) and gangsta

(yea)
I'm hustlin enough to know better,(oh) but ballin
enough to not give a fuck
(yea)
I'm old enough to know better,(oh) but young enough
to not give a fuck.

(Verse 2)

D-d-d-d-d-damnit man, I'm in a throw back so old that
it'll make ya grandma
glance
And everybody know, everybody goes so please, pull a
stretch ambulance

These dudes don't stand a chance when I pull up like
the pamper brand those on
a lambo slants
Wit a made dame from France wit a ass so big you
couldn't hide it in Hammer

pants
Who else be in New York with a Miami tans got
everybody doing the street family
dance
I'm sure this hammer can, make you save the gangsta
role for the cameras man
It's F-A-B you prefebly don't wanna F with me, please
believe it.
I'm definitely as responsible for gettin the city high sleff
with me believe it
please

(Verse 3)
I'm introduced to your women friends cause I buy
double deuces to rent a Benz,
like there boots made by Timberland
I have to remind since I got drafted and signed, ya'll
playas get used to the
scrimmagin
Not one of them hate suits got lint again know ya'll lips
gon' get loose like
ya'll feminen
I prove let loose wit the semi-can boost my adrenalen
you never have use for
that limb again
Half of my roots is Dominacan FABaloso me gusta le
Benjamins
This dude got the juice of a pimp in him turn to stones
like Medusa had
glimps at him
But right now you can lie and gossip too, and later on
be the guy who mobbs us
too
Right now you can try and prosecute, but later on you
gon die in a hospital
