Cause even before we hit the bedroom I was friends with you
If they ask, I aint gotta say whom in them interviews
My sweet thing never believe them rumors that been true
In fact I had no more expence, its true
But you was wifey could change me into a groom in a mintue boo
Maybe my sense of humor gets into you
But girl, they can make a perfume from the scent of

you

I wanna take you there, feel like June in December too
So what you think about Cancun till the winter through
I dont know whatever consumes you gonna do
I put a daytime to go to Bloomies and spend with you
Like any other man I will zoom to the clinic too
Now I wanna see if me and my juniors identical
I zoom, put a moon on the skin of you
I swear to everything that same afternoon will begin to
move, feel me

[Chorus]

[Jagged Edge]

Girl, Id trade it all, money, cars and everything
All, even give up my street dream

Yeah

Yo, this new comers known to move with the seasons
Couple winter lodges, few summer homes
And there for every uw, hum, and moon and make sure
when the new hummer roams the shoes come in
chrome

I aint new if ain't buy white yellow and Q'cumba stones
That send chills threw a womans bones
But life gives groove summer lones
Even though I got the kinda bread that wont matter if a
few crumbs are blown

Flights out of few summer loans

Now I wanna wake up every day with you in a new
number zone

Ma-Me-ya its u l'ma phone

Just to erase all the negative view from your dome

And I promise this Fella G

And so case they hit comma of jealousy

And drama you tellin me, so mama come yell at me

So I could put the top down and we could cruise like

Tom and Penelope my charm is a felony

[Chorus]

[Jagged Edge]

Girl, Id trade it all, money, cars and everything

All, even give up my street dream

All, anything to have you on my team

All, baby girl, Id trade it all

Even give up my good green

All, and Id give the watch and pinky ring

All, anything to have you on my team

All, baby girl, Id trade it all

Money, cars and everything

All, even give up my street dream

All, anything to have you on my team

All, baby girl, Id trade it all

Even give up my good green
All, and Id give the watch and pinky ring
All, anything to have you on my team
