[P.Diddy]

This moment they all been waitin' for, playboy  
We here now  
We're in the house now, for sure

[Chorus]

[Jagged Edge]

Girl, I'd trade it all, money, cars and everything  
All, even give up my street dream  
All, anything to have you on my team  
All, baby girl, I'd trade it all

[Fabulous]

I assume I'm so into you  
Cause even before we hit the bedroom I was  
friends with you  
If they ask, I ain't gotta say whom in them interviews  
My sweet thing never believe them rumors that been  
untrue  
In fact I had numerous friends is true  
But you was wifey could change me into a groom in a  
mintue boo  
Maybe my sense of humor gets into you  
But girl, they can make a perfume from the scent of  
you  
I wanna take you where it feel like June in December too  
So what you think about Cancun till the winter through  
I don't know what the other consumers you been with  
do  
I put a daytime to go to Bloomies and spend with you  
Like any other man I would have zoomed to the clinic  
too  
Ma I wanna see if me and my junior's identical  
A dude put a wound on the skin of you  
I swear to everything that same afternoon I'll be  
interviewed, feel me

[Chorus]

[Jagged Edge]

Girl, I'd trade it all, money, cars and everything  
All, even give up my street dream  
All, anything to have you on my team

All, baby girl, I'd trade it all

Even give up my good green  
All, and I'd give the watch and pinky ring  
All, anything to have you on my team  
All, baby girl, I'd trade it all

[P.Diddy]

Come here, girl, come and take a walk with me  
So I could take you places you don't often be  
Come on, ma, come and get lost with me  
As far as them other chicks, can't get 'em off-a  
me  
Everlastin' love in a whole other fashion  
All I'm askin', let me cash in  
'Cause I'll give her passion, all of the Sean John  
flashin'  
In orderly fashion perhaps when you figured out  
Excatly wat diddy about 'cause we can take this whole  
city out  
Now who gon' stop us, who gon' knock us  
Top us, we can't find coppers to lock us  
Leer jets and choppers, love helipopers  
Separate the weak from the obsolete  
Me hard to keep, I gotcha  
I rock ya word to big poppa I gotcha

[Chorus]

Jagged Edge  
Girl, I'd trade it all, money, cars and everything  
All, even give up my street dream  
All, anything to have you on my team  
All, baby girl, I'd trade it all

Even give up my good green  
All, and I'd give the watch and pinky ring  
All, anything to have you on my team  
All, baby girl, I'd trade it all

[Fabolous]

[P.Diddy]

[Fabolous]

Now what you want, huh  
Now what you want, huh, huh, huh

[Fabolous]

Yeah

Yo', this new comers known to move with the seasons  
Couple winter lodges, few summer homes  
And there for every uw, hum, and moan and make sure  
when the new hummer roams  
The shoes come in chrome  
I ain't know if I buy white yellow and Q'cumba stones  
That would send chills threw a womans bones  
But life gets grusmoe alone  
Even though I got the kinda bread that won't matter if a  
few crumbs are blown  
Flights I done flew some alone  
Ma I wanna wake up every day with you in a new  
number zone  
Mama Mia it's u I'ma phone  
Just to erase all the negative view from your dome  
And I promise this Fella G  
And so gangsta it calm all that jealousy  
And drama you tellin' me, so mama come yell at me  
So I could put the top down and we could cruise like  
Tom and Penelope my charm is a felony

[Chorus]

[Jagged Edge]

Girl, I'd trade it all, money, cars and everything  
All, even give up my street dream  
All, anything to have you on my team  
All, baby girl, I'd trade it all

Even give up my good green  
All, and I'd give the watch and pinky ring  
All, anything to have you on my team  
All, baby girl, I'd trade it all

Money, cars and everything  
All, even give up my street dream  
All, anything to have you on my team  
All, baby girl, I'd trade it all

Even give up my good green  
All, and I'd give the watch and pinky ring  
All, anything to have you on my team  
All, baby girl, I'd trade it all
