[Fabulous:]

Yeah Funk Flex, Big Truck Series Part One niggas
Yeah F-A-B-O-L-O-U-S-
I know what they sayin' Flex
The sun can't shine forever
Uh yeah OK, yo

[Verse 1: Fabulous]

Now I hardly be parkin' in the pees
Cause the system in the SL make it shake like it got
Parkinson's disease
Bout to go back to mark it in the trees
Watchin' out for narcs in the fatigues
And them markings on the cees
Catch me with a bitch in Gucci Parkas and Capris
With a set of full lips and bruise markings on her knees
Ya'll 'gon run to the precinct start talking when I
squeeze
So I put snipers on the roof marksmen in the trees
Fuck you I like who write ya shit
With voice command, me and my car talk like Michael
Knight and Kit
Ever since they put my face on the screen
Fuck a box and a dash I stash my guns in the waist of
my jeans
Niggas start nonsense again
He thinkin' its sweet get shots like you on Insulin
When I pull off the dealers lots no mileage is on it
This bad boy move with guns with silencers on it

[Fabulous:]

Yeah Fabulous
Yeah Yo Flex,
We gotta write Gulliani man (for real)
Make that nigga stop,
Stop lettin' these niggas ride around on minors man
This the Big Truck Series you hear me?
20s and up
Yeah yo yeah
Fabulous the most shady
Yeah
Kick a few flows so I can pimp a few hos

And I rhyme a few bars so I can buy a few cars
