[Fabulous:]

Loso Loso Loso
Nigga tell him whats my name
Loso Loso Loso
Bitch tell him whats my name
Da da da da da da da da
Da da da da da da da da

[Verse 1: Fabulous]

I come from the streets where the man stand hungry
And you see the diamonds on this man hand chunky
So I gotta come with the heat like Stan Van Gundy
Cause I eat more in a day than a man can monthly
Niggas didn't act funny growin' up
But things changed when the crack money slowin' up
In the black Bentley with black twentys showin' up
Its hard for a nigga not to get into they feelings
I'm tryin' to show 'em how to get into the millions
Trips to Rio'll make 'em get into Brazilians
You keep followin' a snitch nigga lead
When its time of the month though bitch nigga bleed
The red light on the Mac switch niggas speed
Gun shots'll have 'em dashin' a hundred meters
Nah they ain't stashin' a hundred either
They just on Smack flashin' a hundred heaters

[Chorus: Fabulous]

Chit chat
I ain't wit that
But I could still bag 'em
In the Magnum
Please tell 'em whats my name
Somebody tell 'em whats my name

I said chit chat
I ain't with that
I rather ride gently
In the Bentley
Please tell 'em whats my name
Somebody tell 'em whats my name

[Verse 2: Fabulous]

Now everytime ya think ya out they pull ya back in
Pull the Mac-10
With bullets packed in
I pulled it back then
Da da da da da
And these niggas have been miserable
Its hurtin' 'em all to see me in physical
With a grin visible
I like my position
Its like a magician
A finger snap'll make a nigga invisible
POOF! Fabdini The Great
Who else go to exotic dealerships grab 'Ghinis and
skate
Niggas can't get the dimes or the nickels to sale
Put the sour to the bottle like its pickles for sale
I get money so the bitches gonna chase ya'll
They can see somebodys riches in the place ya'll
I get 'em
Before they snitches in the case ya'll
They face'll have more stitches than a baseball

[Chorus: Fabolous]

Chit chat
I ain't wit that
But I could still bag 'em
In the Magnum
Please tell 'em whats my name
Somebody tell 'em whats my name

I said chit chat
I ain't with that
I rather ride gently
In the Bentley
Please tell 'em whats my name
Somebody tell 'em whats my name

[Fabolous:]
