Ah huh, you know what it is  
White and Navy, white and navy, white and navy, white  
and navy  
Yeah, uh huh, you know what it is  
White and Navy, white and navy, white and navy, white  
and navy  
Nice

Ah huh, you know what it is  
Welcome to my city where we do it big  
Ah huh, shawty that's nothing  
When you put on for your city baby that's something  
For my town I am known to put it down  
White and Navy, white and navy, white and navy, white  
and navy  
Who at the city say it with me and lets shut it down  
White and Navy, white and navy, white and navy, white  
and navy

I wear my Yankee hat like it was crown  
I did it big then, like I does it now  
That's why they throw it at me, like the own the mall  
Came up so it's more than likely going down  
When I'm in the town that's Ciroc pourin'  
And that Marley Marl, 4 doorin'  
Screaming what's up, I'm like damn cutie  
You got a Pam booty, that ass Cole stupid  
I bet she got some Gina head that be so stupid  
I be the biggest fan, no groupie  
Ask about me they gon say they want none of son  
So it's amari on these n-ggas still number 1  
Nice

[Chorus]

Ah huh, you know what it is  
Welcome to my city where we do it big  
Ah huh, shawty that's nothing  
When you put on for your city baby that's something  
For my town I am known to put it down  
White and Navy, white and navy, white and navy, white  
and navy

Who at the city say it with me and lets shut it down  
White and Navy, white and navy, white and navy, white  
and navy
