smile an ever lasting smile  
a smile can bring you near to me  
don't ever let me find you gone  
'cause that would bring a tear to me  
this world has lost its glory  
let's start a brand new story  
now my love  
you think that I don't even mean  
a single word I say

it's only words  
and words are all I have  
to take your heart away

talk in ever lasting words  
and dedicate them all to me  
and I will give you all my life  
i'm here if you should call to me  
you think that I don't even mean  
a single word I say

it's only words  
and words are all I have  
to take your heart away

it's only words  
and words are all I have

to take your heart away

da da da da da da da  
da da da da da da da da da da  
da da da da da da da  
da da da da da da da da da da

this world has lost its glory  
let's start a brand new story  
now my love  
you think that I don't even mean  
a single word I say

it's only words

and words are all I have  
to take your heart away

it's only words  
and words are all I have  
to take your heart away

it's only words  
and words are all I have  
to take your heart away
