Young money on the floor, track money on the beat
That's right man, the young and sexy, baby
You're only young as you feel, haha, ya know?
Let's get it in, twenty five and under

I see you smiling, shorty, I see it in your eyes, haha
Security let her through, trust me man she's alright
She's alright, she's alright, she's alright
'Cause she's gon' ride, she's gon' ride, she's gon' ride
Young money
Yeah, to the beat y'all
Till the motherfucking champagne and weed is gone
Yeah, to the beat y'all
Till the motherfucking champagne and weed is gone
Yeah

I'm so VIP, and notorious for doing it B.I.G. girl
You ain't gotta see ID, I'm a rich young man
Clean button up wit the rich young pairs
Out of you young ladies, which one can do it to the beat
y'all
Young niggaz get funny, just to get a name
So you know I came with the heat y'all
You know I got a little money, got a little fame
But you know I came from the streets y'all
If you wanna act funny, I can do the same
And when Pharrell let the beat fall
Let me see you get your hands up high y'all
Just like you're reaching for the sky y'all
For the young sexy and fly y'all
Roll another one, let's get high y'all

I see you smiling, shorty, I see it in your eyes
Security let her through, trust me man she's alright
She's alright, she's alright, she's alright
'Cause she's gon' ride, she's gon' ride, she's gon' ride
Yeah, to the beat y'all
Till the motherfucking champagne and weed is gone
Yeah, to the beat y'all
Till the motherfucking champagne and weed is gone

From the high heels to low cuts

To the dude in the fast car wit the slow strut girl
They wanna catch J. Jackson
But the money's longer than a stretch Maybach Benz
They say I'm fly enough to do better
But pimp enough to not give a fuck
They say I'm old enough to know better
But young enough to not give a fuck
Tell Stella to move back, lest she want her groove back
I get my young man on, then the young man gone
Let's get money again, and even if you ain't
I'll make you feel twenty again, so
Let me see you get your hands up high y'all
Just like you're reaching for the sky y'all
For the young sexy and fly y'all
Take another shot, let's get high y'all

I see you smiling, shorty, I see it in your eyes
Security let her through, trust me man she's alright
She's alright, she's alright, she's alright
Cause she's gon' ride, she's gon' ride, she's gon' ride
Yeah, to the beat y'all
Till the motherfucking champagne and weed is gone
Yeah, to the beat y'all
Till the motherfucking champagne and weed is gone

I'm too young to be sprung
And you can tell I'm too blessed to be stressed
My move is too smooth, on top of that I dress to
impress
The walk is so chilled, not to mention the talk is so real
We all gotta get old, but before I do I'm a ball outta
control
Live young, die rich, woo

I see you smiling, shorty, I see it in your eyes
Security let her through, trust me man she's alright
She's alright, she's alright, she's alright
Cause she's gon' ride, she's gon' ride, she's gon' ride
Yeah, to the beat y'all
Till the motherfucking champagne and weed is gone
Yeah, to the beat y'all
Till the motherfucking champagne and weed is gone
Yeah

Ho
Yeah
Ho
Yeah
Ho
Yeah
Ho
