Loud couple
Drinking doubles
In a tussle
Angry mumbles
He slowly stumble
Into a tumble
Bouncer flexes muscles
While taking off his muzzle

Lost in a puzzle...
Lost in a puzzle...

Late night sunday
Sad girl sassy
Lazy dressy Bessy
Makeup messy
Listens to Elvis Presley
With tissues ready
Squeezin' on her teddy
Ain't nobody's baby

Lost in a puzzle...
Lost in a puzzle...

Let her be, just let her be...
Let her be, just let her be...
Let her be, just let her be...
