Baby, I'm at the point at my life
And I'm tired of playing games
I'm ready to settle down
I'm ready to buy a house

And I'm ready to change my last name
I'm ready to have some kids
Ready for the life to live
And all love has to give

I been your superwoman for so long
Ready to be your wife

Lil' M O

Now that love's taken over
I'm 100 percent sure that it's here to stay
I ain't got no issues standing in my way
I ain't goin' nowhere, you ain't goin' nowhere so

Let's make it official
We ain't gettin' no younger baby
And I'm ready to be with you
Together for always

To have and to hold through
Sickness and through health
Marriage will be crazy, baby

Can you live with it? Lovin' me for life
To have and hold 4ever
Baby, ride or die 'til death do us part
Let's make it last 4ever

Are you ready to be happy, babe
For the rest of your life?
'Cause I wanna be your future, yeah
And let's start a family

'Cause I ain't goin' nowhere
And you ain't goin' nowhere so

Let's make it official, let's make it official
We ain't gettin' no younger baby
And I'm ready to be with you
Together for always

To have and to hold through
Sickness and through health
Marriage will be crazy, baby

Can you live with it? Lovin' me for life
To have and hold 4ever
Baby, ride or die 'til death do us part
Let's make it last 4ever

I'm ready to walk down that aisle in all white
And dedicate my life to you
(Yeah, yeah)
And live together happily ever after all

Lil' M O, all I been thinkin' 'bout is us
Slidin' from weddings with bands on
Headin' to San Juan, gettin' our tan on
Girl, you must be forgettin' your man's long

Most tuxes I have trouble gettin' the pants on
And I know things run through your head
When your man's gone
I come home have you sayin', better than Cam'ron
(Oh, boy)

We upsettin' they plans on
Gettin' they chance on
Gettin' they hands on F A B O

Can you live with it? Lovin' me for life
To have and hold 4ever
Baby, ride or die 'til death do us part
Let's make it last 4ever

Can you live with it? Lovin' me for life
To have and hold 4ever
Baby, ride or die 'til death do us part
Let's make it last 4ever

Make it last 4ever and ever, and ever
Can you live with it? Lovin', me for life
