Diamonds on my damn chain
Ain't hard to tell

Diamonds in my damn chain
Diamonds in my damn chain
I'm like, ooh, daddy, I see you do the damn
thang
Got my vote, I'm feelin' your campaign
I like you but I really like your damn chain

Diamonds in my damn chain
Diamonds in my damn chain
It kinda explains the way she be actin'
She liked my necklace, so she started relaxin'
Now that's what the fuck I call a chain reaction

Yo, you think they like me now, wait until the light hit
me
I bet they house somebody, girl spend the night with
me
They gotta love it, if not, then I guess they haters
This kinda necklace will turn on the investigators

They ain't got one problem with this
Square face, watch look like SpongeBob on the wrist
One white, one gold, one nice, untold
You can look but don't touch, guns might unload

Now, I respect them thugs who get the jackin' on
But we squeeze set every slug that we be packin's long
Ya boy got the drug money we be stackin' on
Lotta carrots, not the one's Bugs Bunny snackin' on

Got 'em, get 'em close and lookin' like I
scooped up
The Titanic chain from the bottom of the ocean
I play them diamonds well when I got that jewelry on
And she called me Karat Jeter, maybe Canary Bonds

Diamonds in my damn chain
Diamonds in my damn chain
I'm like, ooh, daddy, I see you do the damn

thang

Got my vote, IÃ¢â€Œ™ m feelin' your campaign
I like you but I really like your damn chain

Diamonds in my damn chain
Diamonds in my damn chain
It kinda explains the way she be actin'
She liked my necklace so she started relaxin'
Now that's what the fuck I call a chain reaction

Damn, what happened? He blindin' everybody
Hey, it must be Jeezy out shinin' everybody
Ready for the show, you can call me the light man
Diamonds on my damn chain, you can call me the
bright man

See I donÃ¢â€Œ™ t do Brightlings, I do APÃ¢â€Œ™ s
Yeah, I spend G's on all these VV's
Blowin' on Jeep, yeah, I got it from Harlem
12 Karat pinky ring, shit, I got it from robbin'

Got to step it up a notch, iced out ski mask
Places in the Projects to hide my weed stash
Dominican chick, shit I got her from Fab
Yellow stones in my chain, so I call it the cab

Diamonds in my damn chain
Diamonds in my damn chain
IÃ¢â€Œ™ m like, ooh, daddy, I see you do the damn
thang
Got my vote, IÃ¢â€Œ™ m feelin' your campaign
I like you but I really like your damn chain

Diamonds in my damn chain
Diamonds in my damn chain
It kinda explains the way she be actin'
She liked my necklace so she started relaxin'
Now that's what the fuck I call a chain reaction

Yo, maybe it's them VV's 'cuz they sets Susters'
Sit on the next bus like that show on MTV
The wings on the chain, make a nigga fly like the wings
on a plane
When you sittinÃ¢â€Œ™ in between 'em

They hittin' when you clean Ã¢â€Œ™ em, glitterin' when
you seen Ã¢â€Œ™ em
Beemin' through the tints when IÃ¢â€Œ™ m
sittinÃ¢â€Œ™ in the 'Phenom'
Oops, I mean Phantom, my words got tangled, man
But this tiger strip watch, make your bitch a Bengals

fan

We all know Jacob, check the shit he did
He spent more time 'Making The Band' than Diddy did
You feel my campaign, then drop your old spouse
I'm out in DC, at the White and Gold House"

Wanna convince me, love?
Secret service me with some of that Lewinsky love
She saw the chain, gave me brain, no strain ever since
Now that's what the fuck I call a good a chain of events,
nigga

Diamonds in my damn chain
Diamonds in my damn chain
I'm like, ooh, daddy, I see you do the damn
thang
Got my vote, I'm feelin' your campaign
I like you but I really like your damn chain

Diamonds in my damn chain
Diamonds in my damn chain
It kinda explains the way she be actin'
She liked my necklace so she started relaxin'
Now that's what the fuck I call a chain reaction

Diamonds on my damn chain
It ain't hard to tell
