Do you? Feel at home
When you're out On the road
I don't Feel at home, when youre gone
Do you understand
That im not worried about holding hands
But I like holding hands with you

Chorus:

So take a chance, take a chance now baby.
Cause ive been feeling like you want me lately.
Do a little bit of dancing maybe,
with me. Or kiss me, woah woah.

Bridge:

Jenny dances, with her hips held tight and her lips
sealed quiet,
taking chances cause it feels so right but her man wont
buy it.

Verse 2:

Does he? Sit at home
Thinking Youre all alone
I don't think he knows, where you go
When he calls your phone
Does he know?
That I am your ringtone?
Oh baby if only he knew,
What we do

Chorus:

So take a chance, take a chance now baby.
Cause ive been feeling like you want me lately.
Do a little bit of dancing maybe,
with me. Or kiss me, woah woah.

Bridge:

Jenny dances, with her hips held tight and her lips
sealed quiet,
taking chances cause it feels so right but her man wont
buy it.

Chorus:

So take a chance, take a chance now baby.
Cause ive been feeling like you want me lately.
Do a little bit of dancing maybe,
with me. Or kiss me, woah woah.
