Sins Of Love - Fabrizio Faniello

Album : When We Dance

Dadadalidada X2

Sins I was a young boy,  
I was out for good,  
Love was such a kind of game,  
I never understood.  
Sins IÂ've got to know you, IÂ've just can get enough,  
YouÂ've got me addicted to this little sins of love.

Whenever you call it, you can have it,  
Whenever you like it, you can get it,  
Whenever you want it, you can have it,  
Whenever you need it, you can get it from me.

RIT: Dadadalidada, these little sins of love,  
Dadadalidada, sweet little sins of love,  
Dadadalidada, these little sins of love,  
Dadadalidada, sweet little sins of love.

Dadadalidada X2

Sins I was a young man,  
Like somehow got it wrong,  
I didn't had a clue about,  
What was going on?  
Sins IÂ've got to know you,  
IÂ've lost any innocence,  
I canÂ't have but loving you,  
For you give senescence.

Whenever you call it, you can have it,  
Whenever you like it, you can get it,  
Whenever you want it, you can have it,  
Whenever you need it, you can get it from me.

RIT: Dadadalidada, these little sins of love,Â...Â...Â...  
Â...X2

There's not a thing I wouldn't do for you,  
There's not a sin I wouldn't do with you,  
There's not a day I wouldn't care for you,  
There's not a way to get me away from you.
