Just another day
Stays the same
people think its right
But who said the right way?!
Theres nothing we can do
Just slow down
we'll take revenge

Trying not to fall
in that hell they're into
Following the TV
Breaks you in two
I think its time for us
to realize
as we open our eyes
This world
is full of

Oh Oh Bitches that we can't compete with
Oh Oh who think they re better than you and me
Oh Oh full of bitches but just slow down
(we'll take revenge)

Doesn't have to be
clear at all
What you gotta prove
whats it's all been for!?
Nothing we can do
Just slow down
we'll take revenge

Trying not to fall
in that hell they're into
Following the TV

Breaks you in two
I think its time for us
to realize
as we open our eyes
This world is full of

Oh Oh Full of bitches that we cant compete with

Oh Oh who think they re better than you and me
Oh Oh Bitches but just slow down
(we'll take revenge)

Oh Oh (just slow)
Oh Oh (just slow down)
Oh Oh (just slow)
Oh Oh

Just slow down (slow down)

Trying not to fall
in that hell we're into
Following the TV
Breaks you in two
I think its time for us
to realize
as we open our eyes
This world is full of

Oh Oh Full of bitches that we cant compete with
Oh Oh who think they re better than you and me
Oh Oh Bitches but just slow down
(we'll take revenge)
