Surfing on the ocean
every day and night (it's surfer girl)
Surfing on the ocean
about to take flight (it's surfer girl)
Surfing on the ocean
every day and night (it's surfer girl)
Surfing on the ocean we go
aha aha wooo !

Surfergirl wears surferwear for surfergirls
Surfergirl dreams surferdreams for surfergirls
Surfergirl loves surferboys and surfergirls
Surfergirl leads a surfer life aha aha woo!

Maybe we can make a party in the sand
Come to my party,join my band
Soaking up the sun when the sky is blue
Cause everyday is surfing day is true
aha aha wooo !

Surfergirl wears surferwear for surfergirls
Surfergirl dreams surferdreams for surfergirls
Surfergirl loves surferboys and surfergirls
Surfergirl leads a surfer life aha aha woo!

Surfing on the ocean
every day and night
Surfing on the ocean
about to take flight
Surfing on the ocean
every day and night
Surfing on the ocean we go aha aha wooo !
