Surfing on the ocean  
every day and night  
Surfing on the ocean  
about to take flight  
Surfing on the ocean  
every day and night  
Surfing on the ocean we go  
aha aha wooo !

Surfergirl wears surferwear for surfergirls  
Surfergirl dreams surferdreams for surfergirls  
Surfergirl loves surferboys and surfergirls  
Surfergirl leads a surfer life

Maybe we can make a party in the sand  
Come to my party,join my band  
Soaking up the sun when the sky is blue

Cause everyday is surfing day is true  
aha aha wooo !

Surfergirl wears surferwear for surfergirls  
Surfergirl dreams surferdreams for surfergirls  
Surfergirl loves surferboys and surfergirls  
Surfergirl leads a surfer life

Surfing on the ocean  
every day and night  
Surfing on the ocean  
about to take flight  
Surfing on the ocean  
every day and night  
Surfing on the ocean we go  
aha aha wooo !
