My boat's capsized  
it's gonna sink to the bottom  
I can see the lights on the shore  
getting farther away

I dont if i'll make it home tonight  
but i know i can swim  
under the tahitian moon

i came out here tonight to look for my friend  
i dont know if i'll ever get to see him again

i dont know if ill make it home tonight  
but i know i can swim under the tahitian moon  
one last time under the tahitian moon

the sea is a very easy place to disappear  
to drift away, to fall in love or make your peace

Go!.....

i came out here tonight to look for my friend  
i dont know if i'll ever get to see him again

i dont know if ill make it home tonight  
but i know i can swim  
under the tahitian moon

i can swim under the tahitian moon  
i can swim under the tahitian moon  
i can swim under the tahitian moon  
i can swim under the tahitian moon  
one last time, under the tahitian moon
