Lady please tell me
How you really feel
Deep inside your heart
I hope that it's for real
I feel lonely
Do you wish that I was there?
There right by your side
Showing you I care

College Girl
Wont you come over tonight
I want to make love to you
College Girl
I can make it feel alright

Lately I've been thinkin
Bout how we use to be
Something about your love
That makes my life complete
I've never met a girl
Can make me feel the way you do
Girl wont you come over
So i can do the things I wanna do

Chorus[x2]

College girl
Please let me know the deal
If you're for real
About the love

Chorus to fade...
