## Verse 1

My love

You're the only one that I live for

Finally found someone that I die for

Endlessly forever girl

I adore the tender love you given to me

## Bridge

Hope I never wake up from this love dream

Because I'm in another world that so free

But look what you've done to me

Cause I keep given my all to ya lady

## Chorus

I finally found

The woman I need

The ultimate world

Of you and me

And baby I feel

Your love

Let's make this forever

And ever

## Verse 2

Incredible

Show me a new way to give love

Unconditional from my heart

And I'll do anything to make you smile

Smile, smile, smile for me

## Bridge

## Chorus 2x

Baby

Break it down, break it down

Just, just

Just a little bit

## Bridge 2

I finally found

I finally found someone  
(2x)  
I finally found, finally found, finally found

Chorus  
I finally found  
The one i need (Let's make this forever)  
(2x)  
I finally found  
The one I need (Let's make this forever and ever)

I finally found  
The one I need (Let's make this forever)  
(2x)  
And baby i feel  
Your love  
Let's make this forever  
And ever
