Spoken:

Yeah, feels like the old times
I know a lot of you all out there, can
Relate to the old time
So this one's for you. Yeah! Listen!

Verse1:

If i take you back in the room
Spent you around, my baby
Take off your clothes, and all of mine too
Laid you down, way down

We could be discreet, nobody has to know
We don't need no sheets, we can just close the
door, my baby
I can take you places you ain't been before
Soon as we get there baby
You'll be coming back for more

Chorus:

'cause if it ain't good enough, good enough, baby
I'll work harder
I keep pumpin' every minute girl
And, baby i'll do you up, do you up, baby
And i will not stop
'Til i know you're hot

Verse2:

If i touch your body tonight, will you touch mine?
(will you touch me baby? Right here!)
Kiss both your lips, and rub on those thighs
Taste your wine (lemme taste you baby.Aaah!)

I can do it soft, i can do it hard
I can make you scream if you let down your guard,
my baby
It's not too far from here to ecstasy
I know you want good lovin', so lay your body next to
me

(chorus 2X)

Bridge:
Slow moving in your body
Feels like i'm gonna be in here all night
And when the love gets rolling
It's no telling when i'll stop
Filled to the brim, i'm gonna trim
You down to the very last drop

And if it ain't good enough for you baby, Ha!
I do it all for you
And i will not stop
'Til i know you're hot

(chorus 1X)

Refrain:If it ain't good enough, then i'll work harder
Turn it up, i'll please you darling
Do it up, do it up
Just for you
And baby i'll taste the wine
And give you pleasure
Close the door, i'll do whatever
Til i know you're hot

(chorus 2X)
