HEART AND SOUL

(Written by Bobby Brown, Gerald Baillergeau, Victor Merritt, and Jerome Woods)

????? turn my music up, yeah
Check it out

I've been around the world, found lots of pretty girls
Free naked is all that I know
Feeling some faces change, nothing remains the same
So when your body says yes, please don't say no

'Cause I got the remedy to fill your body up, baby
Yeah, don't you know that I'm coming with heart and soul

(Heart and soul) Heart and soul
I'm coming with heart and soul
(Heart and soul) Yeah, check it out baby
Listen

Girl, let me lay you down, freakin' you all around
Doing you right is all I know
Giving you all of me, licking from your head to your feet
'Cause if your body says yes, please don't say no, oh baby

'Cause I got the remedy to fill your body up, baby
Don't you know, uh huh, I'm coming with heart and soul

(Heart and soul) Coming with heart and soul
I'm coming with heart and soul
(Heart and soul) Well, well, well, well, well

I'm coming with heart and soul
(Heart and soul) Yeah, 'cause I got the remedy to fill your body up
Coming with heart and soul
(Heart and soul) Yeah, oh
'Cause I got the remedy

(It's just the way that I live, breaking all day long)
(Breaking all night long with heart and soul)
(It's just the way that I live, breaking all day long)
(Breaking all night long with heart and soul)

'Cause I got the remedy to fill your body up
(Heart and soul) Coming with heart and soul
Coming with heart and soul
(Heart and soul) Heart and soul
I'm coming with heart and soul
(Heart and soul) Yeah
Coming with heart and soul
(Heart and soul) Heart and soul...
