Verse1:

When U trust someone
And U know you're on their back
You ain't got no trustin' about you
And you claim that you don't care where I'm at
You've given me reason to doubt you
Say U trust someone
Why ya callin' all around
Think i've got some dip on the side
Girl you don't trust no one
And you constantly in doubt
You lose the game
If you play that way

Chorus:

Get up off me back
Save your heart attack
Ain't nobody is humpin' around
No matter what they say
No it ain't that way
Ain't nobody humpin' around

Verse2:

When U love someone
And you want to love 'em right
Got to get more lovin' about cha
When you know that you're holdin' on too tight
Soon they will be leaving without you
Say that U love someone
Why you callin' all my friends
Thinkin' i got somethin' to hide
Girl you don't love no one
You don't know what love's about
You lose the game
If you play that way

Chorus (2X)

Girl when U love someone
You don't call on everybody
Ain't nobody foolin' around
And the more i think about it

You'll lose all your clout and
You lose the game baby
If you play that way

Verse2

Chorus w/ Bobby's adlibs

Stop!

Rap:

My name is Brown, that's what I'm called so,
Don't try to step on me wrong or you'll fall
Slow, cause i just wzn't to kick soul to ya,
Maybe, baby, take control of ya, just like i
Told ya. I wanna roll on the tip that's moving
Able to make you move and groove and leave you
Like ooh when i touch ya. Give you so much of the
Feeling of the deck that i'm dealing when i rub
Ya up and down yo Stylz kick it.

Stylz: Well i know it's been a while, since
You heard a change in our style. So what i've come
To do is kick you something fly and new. A change,
Different from the typical a bit more than regular
Not like the others original, 'cause originality and
Creativity add it up together equals the B.B.B.
Posse. Yeah we've in the house. Yo kick it!

Chorus w/ Bobby's adlibs
