Bbrown back  
Yall  
Ayo stanley  
Do me a favor  
Drop it

()Chorus)  
I want you, i need you  
I want you, i need you

(Verse 1)  
Ive been around the world  
Seen lots of pretty girls  
But no one has seem to catch my eye  
Feelins and faces change  
Nothing remains the same  
As long as your not by my side

(Bridge)  
Baby when i first met you  
I realize that i needed you in my life  
And after all that we've been through  
I hope you understand the way i feel for you

Chorus(w/adlibs)

Take me to the 2nd verse

(Verse 2)  
Now that i have you here  
To you my love i give  
And no one could ever take your place  
'cause you make me feel so strong  
With you i can't go wrong (yeah yeah yeah)

Bridge

Chorus(w/adlibs)

Now let me take it, back to the streets!  
Drop it!

Rap:

Alright, grab a hold and don't let go  
Get ready, for the solid and steady slow flow  
A physical lust, 'cause it's a must that i bring ya  
Love, squeeze me tight don't let me slip through your  
fingers  
'cause a brother like the B-R-O-W-N  
Is in it to win it for a girl whos a perfect ten  
So come into my life, a pretty lady  
Let me show that i need you  
And im going too  
Treat you the right way because i want you

Bridge

Chorus(w/adlibs) till fade
