Spoken:

How you doin' love? I have a few things on
My mind that i would like to discuss with
You. It's been hurtin' me inside. Let me just
Tell you like this

Verse1:

Seems so long, but it was just last night
I held you close to me
But when you're not with me, time just passes by
Until the next time you are by my side baby
And when the time comes girl i'm gonna hold ya
Wrap you up real tight into my arms, yeah
Tenderly I'll touch you til you'll feel all my emotions
And i'll never let go, never let go, til i have your heart

Chorus:

Lovin' you down, lovin' you down
Taking higher
(always) all the way, never let go, never let go
Lovin' you down, lovin' you down
Taking higher
(always) all the way, never let go, never let go

Now baby that the time is near
Moments go by slow
And every minute, minute of the hour
I think of you, and how i love you so
When the time comes girl i'm gonna love ya
Wrap you up real tight into my arms
Tenderly i'll kiss you, til you feel all my emotions
And i'll never let go, never let go, til i have your heart

Spoken:

You know baby, there's so many things
That, i wanna say. But instead of saying em
In words let me show you...let's dance!
