You know a man likes a good time  
He likes to wine and then dine  
A beautiful woman  
And love her thru the night  
And if the lovin' feels right  
He likes to do her two times  
Pleasing that woman  
Until she's satisfied  
But when all the lovin's done  
Who wants love that's on the run  
One good time  
But there's so much more  
How 'bout conversation  
Some communication  
Someone who loves you  
And stimulates your mind, baby  
Chorus:  
A pretty little girl just ain't gonna get it  
I need a woman  
I need the kinda girl who keeps on  
Using her mind all of the time, baby  
A pretty little girl just ain't gonna get it  
I need a good strong woman, who'll keep love comin'  
All of the time, all of her life

You know a man likes to have fun  
He likes to get into some tender young roni's  
As pretty as they come  
He likes to love all night long  
And makes 'em feel they got it goin' on  
Sometimes, it's lonely, cause there's know one at  
home  
But when all the peaks are done  
Know one still knows anyone  
We've had fun, but i need so much more  
How' 'bout conversation, some communication  
Someone who knows you and stimulates your mind

Chorus 1x

Bridge

I'm not ashamed to say, i've been that kinda guy  
Didn't want no lady, i just wanted a good time,  
But now, i think i'm ready for love  
I need a woman that'll give it up  
Someone to love me  
And someone to be right by my side, baby

Chorus

Can you give me the lovin'? All i need  
And if you give me the lovin', i'll give you all of me  
Cause i need a woman, to care for me  
To love me, to squeeze me, and someone to be right  
by my side,  
Baby

Chorus 2x
