The truth about Roni, she's a sweet little girl  
You could treat her real nice and hold her tight  
Only tender ronis can give special love  
A special kind of love that makes you feel good inside

If you believe in love and all that it can do for you  
Give it a chance, girl, you'll find romance  
And if you find a tender roni that is right for you  
Make it official, give her your love

My heart (ouh) belongs to tender roni (She's my only  
love)  
She's my only love (My only heart, baby)  
My heart (Yeah) belongs to a roni (She's my only love)  
She's my only love

The truth about Roni, she's always on the phone  
Talkin' to her homeboy, wishin' they were home alone,  
ooh  
She send you lovely letters with the smell of sweet  
perfume  
This is what a real tender roni likes to do to you

And if you believe in love and all that it can do for you  
Give it a chance, girl, you'll find romance  
And if you find a tender roni that is right for you  
Make it official, give her your love, ooh, yeah

My heart belongs to a roni (She's my only love)  
She's my only love (My only heart)  
My heart belongs to a roni (She's my only love)  
She's my only love

The truth about Roni, she's a sweet ol' girl  
About the sweetest little girl in the whole wild world  
She'll make the toughest homeboy fall deep in love  
Said once you had a Roni you will never give her up  
She's a special kind of girl that makes her daddy feel  
proud  
You know the kinda girl that stands out in crowds  
Found a tender roni and the Roni is so right

I think I'm gonna love her for the rest of my life

If you believe in love and all that it can do for you  
And if you find a tender roni that is right for you  
Make it official, give her your love, ooh, yeah

My heart belongs to a roni (She's my only lover)  
She's my only love (My only heart)  
My heart belongs to a roni (She's my only love)  
She's my only love

The truth about Roni, she's a sweet ol' girl  
About the sweetest little girl in the whole wide world  
She'll make the toughest homeboy fall deep in love  
Said once you had a Roni you will never give her up  
She's a special kind of girl that makes her daddy feel  
proud  
You know the kinda girl that stands out in crowds  
Found a tender roni and the Roni is so right  
I think I'm gonna love her for the rest of my life

My heart belongs to a roni  
She's my only love (My only heart)  
My heart belongs to a roni (She's my only love)  
She's my only love

The truth about Roni, she's a sweet ol' girl  
About the sweetest little girl in the whole wide world  
She'll make the toughest homeboy fall deep in love  
Said once you had a Roni you will never give her up

proud  
You know the kinda girl that stands out in crowds  
Found a tender roni and the Roni is so right  
I think I'm gonna love her for the rest of my life

My heart belongs to a roni  
She's my only love
