Harp intro

Baby I don't care
No I don't care
I don't care what they say you do
Baby I don't care
No I don't care
I'm gonna keep, keep on loving you

Well you told me you love me
I believe what you said
Well the people that are talking
Ain't no count anyway

Chorus

Harp solo

Well you can talk about your money
And your store bought love affairs
Why don't you save it buddy for someone who really
cares

Cause man I don't care
No I don't care
I don't care to hear you talk that way

Just step outside
I'll tan your hide
Well maybe next time you'll think twice
Maybe next time you'll think twice
Maybe next time you'll think twice about what you say

Harp and guitar lead out
