She walks down the street a-knockin' 'em dead  
Store window dummies even turn their heads  
Sure enuff  
Powerful stuff

When I saw her I burned my black book  
Made a blind man take a, a second look  
Sure enuff, I think I'm in love  
And that's powerful stuff

Naugahyde skirt, black stack heels  
Red copper hair, dig the wig is unreal  
Sure enuff  
Powerful stuff

Ole man Atlas holding up the world  
He dropped everything for that girl  
Sure enuff, I think I'm in love  
And it's powerful stuff

A hip shakin' whip snakin' cooked my goose  
I tell you that babe she's a fine papoose  
I love her mind, but here's the deal  
She's got the kind of groove like the bat mobile

She opens her eyes and turns on the juice  
Pullin' like a magnet and she don't turn loose  
Sure enuff  
Powerful stuff

When she starts rockin', don't touch that dial  
She's a hummin' but a givin' what a woman child  
Sure enuff, I think I'm in love  
I think I'm in love  
I think I'm in love  
And it's powerful stuff
