Brand new dance they call the crawl

East to West, North to South
Brand new dance people shoutin' about
It's called the crawl, aw, the crawl
The cats on the corner
Everybody's doin' the crawl

Well, Jimmie got Jean
Bobbie got Tommy, I got Shirley
Everybody's got a girl
They do the crawl, aw, the crawl
Cats on the corner
Everybody's doin' the crawl

And let your hip shake left
Little to the right, wiggle in the middle
And you in to right then you fall, aw you crawl
Cats on the corner
Everybody's doin' the crawl

East to west, north to south
Brand new dance, people shoutin' about
It's called the crawl, aw, the crawl
Cats on the corner
Everybody's doin' the crawl

And let your hip shake left
Little to the right, a wiggle in the middle
And you in to right then you fall, aw you crawl
Cats on the corner
Everybody's doin' the crawl
