I would walk ten miles on my hands and knees  
Ain't no doubt about it baby it's you I aim to please  
I'd wrestle with a lion and a grizzly bear  
It's my life baby but I don't care

Ain't that tuff enuff (X4)

For you baby I would swim the sea  
Nothing I'd do for you that's too tuff for me  
I'd put out a burning building with a shovel and dirt  
And not even worry about getting hurt

Ain't that tuff enuff (X4)

I'd work twenty four hours seven days a week  
Just so I come home and kiss your cheek  
I love you in the morning and I love you at noon  
I love you in the night and take you to the moon

Ain't that tuff enuff (X4)

I'd lay in a pile of burning money that I've earned  
And not even worry about getting burned  
I'd climb the empire state to fight Muhammad Ali  
Just to have you baby close to me

Ain't that tuff enuff (X4)

Modulate to D

Ain't that tuff enuff (X8)
