Big step
Honey take a big step
You know I need that boy
I'm gonna be a bundle of joy
Listen to me baby

You're the kind to roll around
With every single girl in town
You pick them up and you let'em down
You turn'em off and run around

Big step
Honey take a big step
You know I need that boy
I'm gonna be a bundle of joy
Listen to me baby

I call you up on the telephone
Your mama said: You're not at home (mama said)
I'll hang around and maybe
You'll come out and play around

Big step
Honey take a big step
You know I need that boy
I'm gonna be a bundle of joy
Listen to me baby

(Ba ba ba ba)
(Ba ba ba)
(Ba ba ba ah)

I'm the kind of girl you need
I give you love that's just like me (just like me)
I feel the ground and I have no luck
I give you everything I've got

Big step
Honey take a big step
Honey take a big step
You know I need that boy
I'm gonna be a bundle of joy

Listen to me baby

Big step

Honey take a big step

You know I need that boy

I'm gonna be a bundle of joy

(Listen to me baby)

Big step
