Intro: I am the dead man walking  
I am the dead man walking  
I am the dead man walking  
...the last of my bloodline

There is a pain that burns inside  
From the truth I cannot live or hide  
Destroying all that once was mine  
It controls all that I now see  
This parasite that eats away at me  
My blistered soul that just won't heal  
Numb to all I cannot live or feel

Dead man walking

And whoa again I bleed  
And whoa again I bleed  
I am the dead man walking  
I am the last of my bloodline  
I am the last...

Dead... man  
Dead... man

The very breath of life it steals  
Taking all that once was real  
Alone I dig my private grave  
And pray to the heavens that I'm saved  
My shattered dreams are all but gone  
I'm beaten down and stand alone

Dead man walking

And whoa again I bleed  
And whoa again I bleed  
I am the dead man walking  
I am the last of my bloodline  
I am the last...

Dead... man  
Dead... man
