FACE TO FACE FAT WRECK (Time wasted by :  
IAMHOLTZ@oak.grove.iup.edu)  
Don't Turn Away CHORDS  
-YOU'VE DONE NOTHING / You don't know what you  
want to be/you don't know what  
You want to do/never going to amount to much of  
anything/so what's the differ-  
ence if you win or lose?/well that's something/well isn't  
that something/you  
Have done nothing and it's never your fault/you've  
done nothing/don't care  
Where your friends have gone because you never  
really needed them anyway/never  
Going to be exactly who you are because you try too  
hard to be just like them/  
You've got brains in your head/feet in your shoes/you  
can steer yourself anyway  
You choose/you're on your own/and you know what you  
know/and it's up to you to  
Decide where you'll go/ I'M NOT AFRAID / I didn't want a  
second chance/now  
That's exactly where I am/back where I didn't want to  
be/back where I knew  
You'd find me out/I've never been afraid of you/I never  
will admit the truth/  
I know there's something I can do/I'm not afraid to face  
myself/but is it me  
Or something else?/makes me exactly what I am/that's  
something I will always  
Doubt / DISCONNECTED / you don't know a thing about  
me/is there something that  
You should know?/I can tell you what you want to  
hear/let your inhibitions  
Just go/no you don't know what you will give up/you  
don't know what you want/  
It may take you years to find out/you don't know what  
you need/it's something  
That may never come to you/trust is something that  
comes easy/when you've  
Never been a victim/lies and promises and words are  
said/it's your decision to

Accept them / NO AUTHORITY / there is someone who  
knows everything there is to  
Know/there is someone who is too afraid to let it  
show/we live by consequences  
/we never seem to get it right/conflict of  
circumstances/and sometimes we may  
Lose a fight/wouldn't you know/something is going  
wrong/wouldn't you know/  
Something is really wrong/no you have no authority/no I  
am who I want to be/  
There are those of us who just sit back and never  
try/there are those of us  
Who just sit back and never wonder why / I WANT /  
everybody wants the truth/  
But everybody lies/everybody wants proof/but  
everybody's blind/so open your  
Eyes/I really don't know much of anything at all/but I'll  
admit we're all the  
Same/you ask for forgiveness and make the same  
mistakes/and I'll admit we're  
All the same/I want to know/do these words mean  
anything?/how can this life  
Mean something more than what it seems?/everybody  
wants equality/but we're all  
Prejudice/we're all hypocrites/everybody wants the  
world/but we have nothing /  
YOU'VE GOT A PROBLEM / so what's the problem now  
this time?/I thought you'd  
Learn by now that nothing ever works out right/you  
want to take away the edge/  
You tell me it's the only thing that helps you to  
forget/you've made your  
Promises/that's not enough this time/there's only so  
much you can squander  
From a feeble mind/you've got a problem with your  
life/you've got a problem  
With your mind/don't try to tell me that you think it's  
gonna work out fine/  
So go ahead and try to hide/the world around you  
watches on as you destroy  
Your life/do what your problem says/there's not a lot of  
time / EVERYTHING IS  
EVERYTHING / We've got a lot of questions/we've got a  
lot to learn/so tired of  
Solving problems/too many bridges burned/we see it  
all too clearly and still  
We close our eyes/who should we understand it?/what  
good is knowing why?/I  
Know that life can be filled with these changes/I know  
there's time when I  
Fell like I'm failing/I know something in my life will

change again/Now I've  
Got a lot of questions/I've got a lot to learn/I'm tired of  
solving problems/  
Too many bridges burned/I can't change the past/I  
want to move ahead/I want to  
Understand it/give me the reason why/I'm tired of  
running these circles in my  
Life/I've seen the future it changes before my eyes and  
I know there's some-  
Thing that's going to change in my life/I know  
something in my life will  
Change again / I'M TRYING / 4 year old at play/shot and  
killed today/never  
Even had a chance/17 and high/threw away his life/has  
a gun to feel like he's  
A man/can't have it any other way/laying in the  
street/asking for a drink/  
Dosen't have a place to love/pregnant at 13/still can  
hear the screams/some-  
Thing that she never will forget/can't have it any other  
way/I'm trying to  
Open my mind/so you can keep your faith/and I'll just  
walk away/there's no  
Reason for me to stay/I'm trying to open my mind/I'm  
trying to make up my mind  
/ PASTEL / another falls in place/you wonder if you're  
only human/it's blood,  
Dust and paste/we're held together by a single  
thread/must be a reason for us  
To justify it/but no one will defy it/What is it with this  
place/or is it that  
I'm missing something?/you want to see my face/when  
I can't even see it for my-  
Self/I don't want a game that I don't know how to  
play/just go away/and I  
Don't want to know how to play/can't I make it just go  
away?/don't you under-  
Stand what these problems will demand?/make it just  
go away/I don't want a  
Game that I don't know ho to play/just go away /  
NOTHING NEW / there is some-  
Thing new/put in front of you/nothing you don't  
understand/don't try to ration-  
Alize/no one hears your lies/only you can  
comprehend/you don't want to see/you  
Don't want to hear/you don't want to feel at all/tell me  
that you've tried/  
Mind is open wide/but you're not listening at all/please  
don't question me I  
Don't have the time/if there's a problem then it's easier  
to set aside/there

Is nothing that will make you want to change your  
mind/you can't take it/you  
Can't make it so why try / WALK AWAY / don't want to  
hear what you said/don't  
Want to kick you in the head/don't want to live my life  
that way/don't want to  
Give in but I don't want to be victimized/don't want to  
live my life that way/  
Walk away/try to see things in a different way/don't  
want to tell you your  
Place/don't want to get in your face / DO YOU CARE / do  
you want to make a  
Difference?/do you wonder what would happen if you  
don't?/do you need just a  
Little push?/do you try to change?/do you think about  
the other guy?/do you  
Want just one good reason why you should?/do you  
only think about yourself?/do  
You want to be left alone?/you're running out of  
time/and I don't see a change  
In you/and I don't think you're gonna make it/do you  
understand the way it  
Works?/do you want to take as much as you get?/do  
you need a little push?/do  
You try to change?/we're running out of time and there  
aren't changes made/  
And I don't think we're going to make it / 1,000 X / I've  
tried to ask the  
Question/must be a million answers that just aren't  
there/you try to find your  
Self/I'll try to live my life/I just don't care/take a look at  
your life/tell  
Me can you say you've done no wrong?/ask yourself  
the question/do you realize  
Where you belong?/I've been down/I've been out/I've  
been there/I've been down  
This road a thousand times/nothing ever looks the  
same/it seems there's some-  
Thing more I might never see-
