Preacher man, judging you again  
Telling you about your sins  
He made himself god to say  
Sinful life is not the way  
Follow christ the lord of lies  
In holy wars where people still die  
So as god fills your hollow mind  
I will st my own rules of life

Body of christ  
Holy rage

"Thou shalt not sin" are the words of the weak  
Do you really believe in turning the other cheek?!  
As so many others, you've been deceived  
By the false servants of hate and greed

If there is a will there is a way  
I'll never be on my knees to pray  
You're taught to believe in christian lies  
Words that will destroy your lives

Body of christ  
Holy rage

Amen  
They fool you  
They rule you  
And soon they'll also own you

They fooled you  
They ruled you  
And now they also own you

They fooled you  
They ruled you  
Who will now come to save you?

They fooled you  
They ruled you

Amen
