I guess I am just..
Torn between life or silence,
As the pain in my eyes becomes to clear
Destroyed! By the sounds so empty,
Empty as the answer to my prayers
God! You're still robbing my cradle,
Your crawlings for my love erased my mind
I stand raped and lonely...
Embrace the moment,
My life in your hands
Divine torment,
As I feel the love I fear
You push me aside and mock my tears
Lifeless the passion, priceless the gain,
Broken the heart, From a life insane
Guilt is the spike,
The thorn in my eye,
Corroding the chains to an abusive mind
Embrace the moment,
My life in your hands
Divine torment,
As I feel the love I fear
You push me aside and mock my tears
Guilt is the spike,
The thorn in my eye...
With tired eyes I watch,
Repeat itself,
But the circle's incomplete
Serrated blade cuts the noisome vein,
And I drain myself from pain
Embrace the moment,
My life in your hands
Divine torment,
As I feel the love I fear
You push me aside and mock my tears
Lifeless the passion, priceless the gain,
Broken the heart, From a life insane
Guilt is the spike,
The thorn in my eye,
Corroding the chains to an abusive mind
And I become one with myself...
