Pop pop, bottles in the club, bottles in the club [x2]
Pop pop, bottles in the club, yes we can
I don't even care if you a lesbian
Pop pop, bottles in the club, bottles in the club [x2]
Pop pop, bottles in the club, yes we can
I don't even care if you a lesbian

So faded we start sleep walking
Hit it so good you start sleep talking
I'm pimping my b*tch street walking
Way too popping, to be flopping
Copping all the most exotic shit
You don't like boys you like the opposite
Sexin' bimbos, threesomes with nymphos
Baby I ball, in and out of gym clothes
Get paper like kinkos
Stack chips like Pringles
We throw hundreds we don't ever throw singles
I'm balling, balling like free throws
Lemme see your titties
Lemme get a free show!

Pop pop, bottles in the club, bottles in the club [x2]
Pop pop, bottles in the club, yes we can
I don't even care if you a lesbian
Pop pop, bottles in the club, bottles in the club [x2]
Pop pop, bottles in the club, yes we can
I don't even care if you a lesbian

You kissed a girl and you liked it
You super women no sidekick
I'm aiming straight at your eyelid
Cover one eye like a pirate

We sexin' like our birthday
Menaj-a-trois dropping draws

They hating I made another hit for the radio station!

Pop pop, bottles in the club, bottles in the club [x2]

Pop pop, bottles in the club, bottles in the club [x2]
Pop pop, bottles in the club, yes we can

To all the freaky ladies
I'll make all your dreams come true
Sexin like we rollin
What it, what it do
Touch her while I pop bottles
And warm her up for me
It just takes two to tango
But I'm preferring 3

Pop pop, bottles in the club, yes we can
I don't even care if you a lesbian
Pop pop, bottles in the club, bottles in the club [x2]
