When I'm out walkin' I strut my stuff man, I'm so strung  
out  
I'm high as a kite I just might stop to check you out  
let me go on like I blister in the sun  
let me go on big hands I know you're the one  
body and beats I stain my sheets I don't even know why  
my girlfriend she's at the end she is starting to cry  
let me go on like I blister in the sun  
let me go on big hands I know you're the one...
