I'm standing here on the ground  
The sky above won't fall down  
See no evil in all directions  
Resolution of happiness, tings have been dark for too long

Don't change for you  
Don't change a thing for me  
Don't change for you  
Don't change a thing for me

I found a love that I had lost  
It was gone for too long  
Hear no evil in all directions  
Execution of bitterness, message received loud and clear

Don't change for you  
Don't change a thing for me  
Don't change for you  
Don't change a thing for me

I'm standing here on the ground  
The sky above won't fall down  
See no evil in all directions  
Resolution of happiness, things have been dark for too long

Don't change for you  
Don't change a thing for me  
Don't change for you  
Don't change a thing for me

Don't change for you  
Don't change a thing for me

Don't change, don't change
